Subject: next call on Fluoropolymers incineration protocol -- proposed W Oct. 8
at 1pm

John,

I am sorry that we missed each other today. During today's call, we tentatively set our next call as Wednesday October 8 at 1 pm. Is that do-able for you?

My hope is to have a revised draft out to you and Rich by Monday October 6 and have that as a basis for our October 8 discussion.

Please let me know if this timing is OK for you, and please give me a call at 302-774-8048 if you would like to go over what we discussed today.

Thank you very much.

Best Regards,

Robert Giraud
