Subject: call-in number for Monday 11/3 12N Fluoropolymer incin testing
draftingcomm call

Colleagues,

As discussed after the Plenary, the next call of the Fluoropolymers ECA incineration testing drafting committee will be on Monday November 3 from 12 Noon to 2 pm ET. The call-in details are as follows:

phone number: [REDACTED]
code: [REDACTED]

We agreed that since Bill Beers is not available on Monday, we would plan to steer clear of discussion of Appendix A of the Telomers incineration testing document during Monday's call.

One of the things we plan to do during Monday's call is to firm up the time for the Telomers incineration testing drafting committee call on Friday November 7.

I look forward to our call.

Thanks.

Best Regards,

Robert Giraud
