And here is half of the info for DuPont. I will get the other half from them, since Rich Angiullo has now retired.

By my accounting, the only info you are now missing (other than the signer for DuPont) is the info for Daiken. I should have that by later today or Monday.

I think I sent this to you earlier, if I did, my apologies. I'm off to RTP to stare at a box.

Sorry, I had the information last week and forgot to send.

The person who will sign will be:

Richard Angiullo
VPGM, Fluoroproducts
POBOX 80711
Wilmington, De. 19880-0711

Since Rich is retiring in February, we may end up with someone else signing. It may be either David Bills (replacing Rich) or Cindy Green (Global Business Director - Fluoropolymers), but we do not know yet.

Technical contact is shown below.

Mike

Mike,

Technical contact for DuPont for the fluoropolymer incineration ECA should be

L. William Buxton
Regulatory Affairs Manager
DuPont Company
Chestnut Run Plaza
P.O. Box 80713
Wilmington, Delaware 19880
phone: 302-999-4658

As to who will sign for DuPont, depends upon when the ECA is ready for final signature. I suspect it will be after Rich has retired, in which case I'll have to consult with the business as to who is the appropriate person to sign.

Guys:

I need your help in collecting information for the signature pages of the two incineration ECAs.

I have attached a copy of the duPont signature page from the telomer package (the fluoropolymer version is, for present purposes, identical).

What I need, for each company is the information on the "technical contact" (name/title/address and phone number), and the information on the person who will sign for the company (name/title/address).

Thanks.
